Robotics Arm

Improved safety.

Improved efficiency and productivity.

JANYU TECH

Spearheading Robotic Revolution

OUR HISTORY

Janyu Technologies Pvt. Ltd. is engaged in design, development, manufacture, supply, installation and commissioning of Robotic solutions & Industrial Automation systems in various industrial sectors of economy i.e. Pharma, Healthcare, F&B, FMCG, Engineering, Automotive, Defence, Aerospace, Frozen Foods, E - commerce industries etc.

We believe that technology when customized as per client's need and made affordable with a concern for human beings will result in sustainable growth and healthy ecosystem. With the pandemic playing havoc with wellbeing and lives of our people, acquiring semi skilled labour in the non core areas like packaging, palletization and warehousing has become a challenge for most industries. Janyutech specialized in automating these manual non core activities and taking your daily struggle.
